

MCB's Distribution Boards

Crystal Distribution Boards which are designed to keep space with growing complexity of Electrical Installations, higher levels of protection, control & energy management.

Design flexibility enables the installer to fit a wide range of protection devices, (MCBs, RCCBs, RCDs, VSDs etc. Degree of protection varies from IP-20 to IP-54 giving the consumer multiple options to suit their individual needs.

RANGE & FRAME SIZE

SPN	TPN
2 WAYS + 2	4 + 4 WAYS
4 WAYS + 2	4 + 6 WAYS
6 WAYS + 2	4 + 8 WAYS
8 WAYS + 2	4 + 12 WAYS
10 WAYS + 2	4 + 16 WAYS
12 WAYS + 2	4 + 24 WAYS
14 WAYS + 2	

CONFORMS TO STANDARDS

IEC- 60439 - I & III

IEC- 66439 - I & III

APPLICATIONS

Power Distribution
 Manufacturing Process
 Industrial Building
 Residential Building
 Commercial Building
 Healthcare
 Internet Data Centers
 HVAC
 Tele Communications
